Energetic Medicine Practitioner Devices

Below is a brief overview and description of the most popular and widely used energetic medicine devices available on the market today. This page will allow you to quickly navigate and compare in detail energetic medicine systems, with an in depth review available by clicking on each device name. The **Stars** are based on overall user feedback. For information on how to vote and leave feedback click here

For a quick comparison of the more popular devices see our [device comparison page](#)

Nutri-Energetics Systems – Professional

The NES-Pro is a revolutionary devices based on a new understanding of the human body and it's inherent quantum electrodynamic field. This is an excellent preventative health care system, with a diagnostic and treatment potential which is currently unsurpassed.

WHPRS Rating 0

Acugraph - [BUY ONLINE](#)

The Acugraph is a computerized device to analyze & document the energetic status of your acupuncture meridians.

WHPRS Rating 0

ACUSCEN - [BUY ONLINE](#)

ACUSCEN is fantastic tool for treating acute pain or other disorders or symptoms of recent origin. Fast and permanent pain-relief is observed often especially so in acute cases.

WHPRS Rating 0

Advanced Bio-Photon Analyzer

The Advanced Bio-Photon Analyzer is designed to tune up your biofield through a resonant effect that harmonizes your energy and helps you to navigate smoothly through a stressful world.

WHPRS Rating 0

Airnergy

Airnergy is a portable compact machine for use in the home that creates 'energised air' which then feeds every cell in your body with oxygen. This can boost energy levels, increase mental agility, strengthens the immune system, stimulates circulation and reduces stress and tiredness.

WHPRS Rating 0

Amsat System

The Amsat System measures the electrical conductivity of biologically active parts of the human body, which give information on the condition of the internal organs and interconnected systems of organs.

EMR AWARDS

NES PRO as
Best Practitioner Device of
2009

[what are the EMR awards?](#)

Bioflow Magnotherapy

Bioflow magnotherapy is the application of a magnetic field to living tissues. It is a natural therapy which supports the maintenance of the body's communication and transport systems.

WHPRS Rating 0

BioMeridian

Uses the Meridian Stress Assessment - MSA. The primary objective of this procedure is to disclose patterns of stress and to provide feedback for use in a program to help restore each system and meridian to an appropriate balance.

WHPRS Rating 0

BioPhotonic Scanner

measures the carotenoid antioxidant levels in your skin-and prove the effectiveness of your supplements in improving your overall antioxidant health.

WHPRS Rating 0

Biopulsar

The Biopulsar - Reflexograph is a biomedical measuring device, based on Eastern and Western alternative energy and medical science.

WHPRS Rating 0

BodyScan

The BodyScan is a biofeedback/resonance device which makes heavy use of meridian theory. No longer in production.

WHPRS Rating 0

CoRe

The CoRe System is radionics/biofeedback device claiming capabilities of transmitting frequencies across all areas of the electromagnetic spectrum.

WHPRS Rating -1 Proven absolute fraud

E-Lybra

e-Lybra 9 is a fully automatic PC-based analysis, balancing and remedy production system.

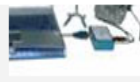

WHPRS Rating 0

Etascan

The Etascan is a low frequency Quantum Generator - A modification from the Oberon device.

WHPRS Rating 0

WHPRS Rating 0

F-Scan

The F-Scan is a combination of Rife and Syncrometer technology, similar in overall result to the QXCI but with a limited digital storage of testing frequencies.

Energetic Medicine Research

Overall WHPRS Rating 0, no real registration of medical claims, no studies, no verification, no validation

The worlds leading resource for Energy Medicine

PAPIMI

The PAPIMI is a somewhat ungainly system for tissue strengthening by pulsed ion magnetic inductance

WHPRS Rating -2 actually killed people

Perkl Light - [BUY ONLINE](#)

The Perkl-Light is a little different from most other devices in that its operation is more "intuitively-based" than "mentally based." Rather than looking up frequencies in a book, or going through some analytical process to determine a setting, the Perkl-Light is best used by simply observing one's experience and which settings feel good at any particular time.

WHPRS Rating 0

PIP Biofield Imaging

PIP (*Polycontrast Interference Photography*) is a visual non-invasive scanning system that reveals where current problems may exist and interestingly where developing issues might arise.

WHPRS Rating 0

Personal Therapy Device

With over 300 built in programs this is a small lightweight, affordable and popular device.

WHPRS Rating 0

Prognos

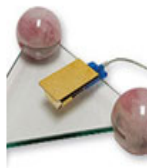

PROGNOS is a diagnostic and therapy system based on the Traditional Chinese Medicine.

WHPRS Rating 0

Pulse Magnetic Therapy

The MicroPulseIV pulsed electromagnetic field generator is a low intensity easy to use device that creates less the 1 gauss of magnetic power (equal to that of the earth's magnetic), which makes it safe to use, yet has produced effective results

WHPRS Rating 0

Quantec

The Quantec is a radionics device deigned to restore health by the vibration emission of remedies. Inbuilt programming also allows the transmission of therapeutic signal to 500 clients simultaneously.

WHPRS Rating 0

SCENAR - [BUY ONLINE](#)

The SCENAR is an excellent device for rapid relief of acute symptoms through the stimulation of regulatory peptides.

WHPRS Rating 5

Syncrometer

The Syncrometer is another biofeedback/resonance device. Does not require a computer output as resonance is established through sound alone. The Syncrometer works well and was the basis for many to come, but may have a limited application for today's energetic medicine practitioner.

Syncrometer

The Syncrometer is another biofeedback/resonance device. Does not require a computer output as resonance is established through sound alone. The Syncrometer works well and was the basis for many to come, but may have a limited application for today's energetic medicine practitioner.

WHPRS Rating 0

The LIFE System

The LIFE System is another biofeedback/resonance device, similar in construct to the QXCI with the main differences being graphical and monetary.

WHPRS Rating 0

The Merid

The Sanet Merid, from Sanet Medical BV, is a revolutionary way for therapists to measure and treat the human organ systems using infra-red light.

WHPRS Rating 0

The Rife Machine

The Rife Machine uses resonance frequencies to neutralise bacteria and viruses. It deserves merit for it's historic influence, but further technological developments have seen the Rife superseded.

WHPRS Rating 0

VEGA

Vega supply a range of diagnostic and therapeutic devices (including one for biofeedback/resonance), designed to facilitate practitioners of well established therapies, including electro dermal screening, matrix regeneration and colour/audio therapy.

WHPRS Rating 0

Vibe Machine

Vibrational Integrated Bio-photonic Energizer - The VIBE Machine is an electronic device that brings the vibrational level of your body back to its natural state of being.
