- [Seeing Is Believing](#)

The cost of PIP is **\$5,950**. This price includes a free **Resonant Field Imaging™** system, which is a valuable complement to PIP's imaging capabilities. In addition, **for US residents the price also includes a free training seminar**, which is held annually in select cities across the US. For non-US residents, in-person training with a certified PIP instructor can be arranged following placement of your order. PIP systems offer free lifetime technical support and upgrades, as well as a 2-year warranty.
